•••••

Written and created by Geoffrey Ashley, and based on an award-winning, underground graphic novel, **FRONTIERS** is a television series in development about an army deserter and his partner — the alien mega-intelligence inhabiting his spaceship — who seize the chance to impress a mysterious, intergalactic gangster.

FRONTIERS: THE LIVE EXPERIENCE is a souped-up fun-fest promising excitement, prizes...and a mean, grizzled Santa Claus?!

And it's the world's first glimpse of **FRONTIERS** — the epic journey of an average guy destined to destroy humanity...and why that really isn't such a bad thing.

You'll see nothing else like it in the Fringe!
